Excellent Cuisine

Tortworth Court is luxurious, yet welcoming. Each room is draped, adorned, embellished, comfortable, warm, and serene. Expansive too for christening, anniversary, and wedding parties - celebrations that will be fondly recalled time and time again.

The Visitor's desire for a memorable occasion is valued. The Tortworth staff are keen to ensure that the event is special and exclusive.

Tortworth is not just for the large festivities. It lends itself to the more intimate gatherings too, offering alternative areas for afternoon tea, dinner for two and business rendez-vous.

The newly refurbished conference Suite, ideal for important meetings, exudes a professional air of East meets West.

Tortworth Staff provide the "personal touch" necessary to make your event exquisite.
