**Sheleen Newcombe** has over 30 years of hair salon experience, which started locally as a Saturday girl aged 14. She was born in Wotton but was brought up in her parents' home The Dinneywicks Kingswood, although then it was known as The Star.

Sheleen has worked in many salons in Bristol including one in Clifton. She has taught hair dressing for years at The City of Bristol College, 14-16 year olds as well as adults. She continues to teach including her staff, encouraging them to progress themselves. She is an NVQ A1 assessor and always enjoys trying a new challenge.

She is married to Derek, they have two children and they are settled in Charfield.

*Robyn, joins Kopperz as new Hair Stylist to keep up with the demand for bookings*

**Kirsty McCorkell 16**, from Kingswood, has just started her 2 year NVQ at Soundwell College City of Bristol. She was originally a Kopperz client and joined the team just a few weeks ago as the Salon Junior.

**Zoe Hutley 17**, from Tortworth, is the original Junior technician . She has worked for nearly 2 years on her NVQ 2 at The City of Bristol College. She qualifies in January. Earlier in the year she helped Sheleen with the hair side of the fashion show held at Tortworth Court in aid of Cancer ResearchUK.

**Robyn White 18**, from Rangeworthy is the new Hair Stylist. At the beginning of August she joined Kopperz. Her boyfriend's sister, who had her hair done for her wedding at Kopperz, recommended the place to her. Robyn has worked in several salons before. She is currently building up her client base at Kopperz. Although Robyn is qualified she is opting to do further training to an advanced level 3. She too travels in to Bristol once a week to attend the college.

Kopperz takes part in Schools' work experience week.
