

Jackie Jones owner of **MS Jones SALONS** is looking forward to moving back to live in Bradley Green at her parents' farm. She has however been in business for the last year in Wotton which she and her staff would like to celebrate with their customers and the local residents.

They have generously offered the readers of The Directory a 20% discount off all hair appointments in February 2010.

The Salon offers not only a wide variety of hair care which includes semi-permanent colouring, tinting of the roots or full and half head foils, perming etc, but also Nail and Beauty treatments, some of which are listed below.

Jackie has a wealth of experience, 27 years in hairdressing, and her staff include, Lanh in Beauty, Rachel Carter & James Thomas trainee hair stylists, and Maria Wilkins, self-employed hair stylist with 4 years' experience.
