

Referendum on the future of Wotton Pool

Six Wotton residents took the unusual step of calling a public meeting to trigger a referendum of the people in the town. This follows from Stroud District Council indicating that it can no longer support running the pool in Wotton. This means a cash shortfall will need to be made up, and they were asking the town to vote on that.

If the answer is yes and the townsfolk get behind the pool then it is going to be a very exciting period getting it renovated, improved and ready to run in the early summer.

There is so much local ownership for the pool: the boys at the secondary school built it between 1958 and 1961.....

...and we have been using it ever since...

...So I think the guys who built it deserve a big thankyou, and if the townsfolk vote to support the pool, then:

...2011 is going to be its 50th glorious year of operation

*A tidal wave of support for
Wotton Pool
The Town says Yes
10 to 1 in favour*
